- Set the background color to light pink.
- Used honeydew text color for contrast and readability.
- Centered headings for balance.
- Styled paragraphs with dark gray background, white borders, and *Times New Roman* font.
- Aligned images side-by-side
- Designed a navigation bar with a hover underline effect
- Customized Contact text: transparent background, larger font, right-aligned positioning.
- Maintained a consistent color scheme and simple, elegant visual style across pages
